COGNITIVE DISSONANCE

“Sometimes people hold a core belief that is very strong.

When they are presented with evidence that works against that belief, the new evidence cannot be accepted.

It creates a feeling that is extremely uncomfortable, called cognitive dissonance.

And because it is so important to protect the core belief, they will rationalize, ignore and even deny anything that doesn't fit in with that core belief.”

The Bible Trust was evilly converted each a Jurisdiction

- ◆ The Jurisdiction of the LAND: All resources of the land people, animals, plants, minerals, are National in Nature, control was given to the Spanish King and later it was given to the people of the world.

New York City is defined in the Federal Regulations as the United Nations.

Rudolph Gulliani stated on C-Span that "New York City was the capital of the World" and he was correct. (20 CFR chapter 111, subpart B 422.103 (b) (2) (2))

[*73] prerogatives of the crown. The *common law* of England is known by the various appellations of *right*, *common right*, *public right*, and *communia justitia*. The French call their municipal law *droit*, which signifies *right*. In the stat. of Westminster 2d, cap. 1, the *common law* is called *common droit*, and in Magna Charta it is called *rectum*.(w) And, therefore, when it is said that a man has a thing of common right, it is always to be understood that he has it by the *common law*. And it is further held, that the *common law* is called common right, because it is the best and most common birth-right that the subject hath for the safeguard and defence not only of goods, lands, and revenues, but of his wife and children, his body, fame, and life also.(x) An act of parliament made against common right, is void and impossible to be performed:(y) for the law is reason and equity to do right to all, and to preserve men from wrong and mischief, and will never make construction against law, equity, and right,(z) the rule being *legis constructio nunquam facit injuriam*. And herein, says Sir Edward Coke, the excellency of the *common law* is to be observed.

The Historical Timeline - Pieces of the Puzzle

- ◆ 1666; The Cestui Que Vie Act of 1666. The Great Fire of London creates the occasion for the creation of individual public trusts as a Government means of seizing private property.
- ◆ 1702; The British Crown and Dutch East India Company collude under the Maritime Wagering Act. Living men are deemed to be "Vessels" and Insured. Their death/loss becomes a means of enrichment for the commercial corporations and the British Government.
- ◆ 1765; The pollution of English Common Law with Admiralty Law to create "Equity Law" granting absolute power to the judiciary to seize upon and distribute private property comes to fruition in England under Lord Mansfield.

The Historical Timeline - Pieces of the Puzzle

- ◆ July 4, 1776: the declaration of Independence. Standing up to Authority and against tyranny, and declaring our liberty.
- ◆ Every single American at this moment in time, has more Authority on the land than the entire government. Life's good!
- ◆ 1783: The Treaty of Peace, Promising friendship and "amity in perpetuity." One of the most important documents.
- ◆ 1789: The Organic, Original Constitution for the united "States of America" ... Bill of Rights... No Titles of Nobility shall hold office. We are Americans, We are Free, We are civil, and We are at peace. A Compact Between Sovereign Nation States Forming A Union for the provision of 19 essential Governmental Services, and NO MORE.

I know no safe depository of the ultimate powers of the society but the people themselves; and if we think them not enlightened enough to exercise their control with a wholesome discretion, the remedy is not to take it from them, but to inform their discretion by education. This is the true corrective of abuses of constitutional power.

The Historical Timeline - Pieces of the Puzzle

- ◆ War of 1812: America Standing up to Authority again... against both England and France.
- ◆ 1815: to protect our trading ships from Muslim Pirates and other Privateers we sign, the Treaty of Ghent, with England giving up control of our seas and inland navigable waterways.
- ◆ 1819: The American states pass the Titles of Nobility Amendment to the original Constitution, putting teeth and penalties into earlier provisions effectively prohibiting members of the Bar Associations from holding any public offices.
- ◆ November 22, 1822: The Secret Treaty of Verona is the basis of the Monroe doctrine. It throws a powerful white light upon the conflict between monarchical government and a government by the people.

The Historical Timeline - Pieces of the Puzzle

- ◆ 1837: The British Settlement Act sets aside public wastelands as “common wealth” and paupers are said to be settled upon this land, thus becoming wards of the state. This effectively prevents the lower classes from ever being landlords and provides a basis for claiming them as chattel property.
- ◆ 1848: Karl Marx: The “Communist Manifesto” Changing the minds of the Elite Bankers and those who want to rule others rather than live free.
- ◆ 1858: Benjamin Disraeli begins the push to enfranchise British laborers as properties belonging to the British Crown. They and their assets are seized upon in the process as collateral backing government debt. Their “voluntary” enslavement is used to fund the British Raj in India--- though they are never told any of this.

Abraham Lincoln; the beginning of the end of the republic

- ◆ 1860: After Failing six times, Abe Lincoln, a BAR attorney with the backing of the Wealthy Big Businesses and Bankers of Chicago, Boston, New York, and Philadelphia, finally is elected President. He can serve only in the private office of President of the United States (Trading Company), not as President of the United States of America, as a result of the Titles of Nobility Amendment. He contrives to start the Civil War, which is never declared by Congress.
- ◆ May of 1860: The U. S. Congress passed the Morrill Tariff Bill (named for Republican Congressman and steel manufacturer, Justin S. Morrill of Vermont) raising the average tariff from about 15% to 37% with increases to 47% within three years. This was to be the true cause of the Civil War.
- ◆ March 27, 1861: Seven Southern States Pull from the Union fighting over the huge tax increases of the Morrill Tariff Act. 11 Delegates, from the 7 southern States walk out, this leaves Congress Sin Die, without a quorum, and No Functioning Government existed. With no Government to run, Abe started using for the first time in History executive powers.
- ◆ 1862: Abe's Congress a De Facto (Board of Directors) Changes the meaning of the word "PERSON" to mean "corporation".

Abraham Lincoln; Civil War was not about Slavery

"I will say, then, that I am not, nor ever have been, in favor of bringing about in any way the social and political equality of the white and black races -- that I am not, nor ever have been, in favor of making voters or jurors of negroes, nor of qualifying them to hold office, nor to intermarry with white people; and I will say in addition to this that there is a physical difference between the white and black races from living together on terms of social and political equality. And inasmuch as they cannot so live, while they do remain together there must be the position of superior and inferior, and I as much as any other man, am in favor of having the superior position assigned to the white race."

Lincoln's Views on Race

Abraham Lincoln; the beginning of the end of the republic

- ◆ 1863: With his first few executive orders he bankrupted the Original and organic, The united "States of America", and its trading companies. And then he, incorporated the "United States of America," as a Delaware Corporation. A look a like, sound a like fraud.
- ◆ April 24, 1863: With Executive Order #100 (The Leiber Code) places the Grand Army of the Republic in charge of the government. He contrives to start the Civil War, which is never declared by Congress. He put the Nation under Marshall Rule (which was never rescinded). Making himself the Commander in Chief and placing the government of "we the people" under military occupation, officially ending the "REPUBLIC" thus through the communistic acts of a new President, Civil War was Declared. And, the Republic DIED!
- ◆ 1863: UNITED POSTAL NETWORK (U.P.N.) Berne, Switzerland This is the Architects and Surveyors hired to set up the addressing system of the NWO. Now owns and controls the UNITED STATES POSTAL SERVICE (U.S.P.S.)

The destruction of the republic continues

- ◆ 1865; Lee surrenders his army to Grant at Appomattox, but no official peace treaty is ever signed. The Southern States are carved up into ten military districts and all the original states are improperly subsumed into the bankruptcy of the United States (Trading Company) by a process of assumpsit.
- ◆ 1865; Lincoln is murdered by John Wilkes Booth; Andrew Jackson Becomes President of the new Democracy.
- ◆ The Southern States are in Ruins and under military occupation. The Northern States are Bankrupt.
- ◆ Andrew Jackson declares Peace upon the Land (May 10th 1865) again April 2, 1866, and again August 20, 1866, urging congress to do so.
- ◆ But Congress refuses and has never Declared Peace on the Land or Sea.

The destruction of the republic continues

- ◆ Together both the 39th and 40th Congress violated the constitution of America in six different but very dramatically important ways!
- ◆ 1) Article V, Section 5 was violated as shown by The House Journal, March 3, 1866, page 353.
- ◆ 2) Article III, Section 3, was Violated by The Reconstruction Acts of 1867
- ◆ 3) Article 1, Section 9, Clause 3 was violated by the reconstruction Acts of 1867
- ◆ 4) Article IV, Section 4, was violated by The Reconstruction Acts denial of a republican form of Government to the Southern States AFTER the Armistice.
- ◆ 5) Article 1, Section 8, Clause 17, was violated by the 39th Congress unlawfully exercising exclusive legislation outside their district and allowed federal enclaves.
- ◆ 6) Article IV, Section 3, was violated when the 39th Congress formed unlawful de-facto "FEDERAL STATES" within the organic States of the union to operate as Franchises of "The United States of America, Inc." So, "Oregon" State became the "State of Oregon" Etc...

The destruction of the republic continues

- ◆ The Corporate Congress acting as officers of a De Facto, Private for profit governmental services corporation and not the De Jure government of the people.
- ◆ With the reconstruction Acts of 1867, Congress created Military Districts and “Special Admiralty” Courts, (Gold Fringed Captured War Flag) to deal with the remaining “Rebels” Still at-large. This is not addressed or allowed under any “constitution.”
- ◆ 1868: The corporate Congress Published its new look a like sound a like, The Constitution for “the United States of America” replacing the original organic The Constitution for the united “States of America”. This new and entirely different document is used as Articles and By-laws of a De Facto commercial corporation. There was no need for any “ratification” of Amendments by any “STATES” created as franchises of the parent company so Secretary of State William Seward simply declared the new 13th and 14th Amendments “ratified.” Mere lip service was given to the process by the States. Except for Oregon, who wrote a letter.
- ◆ 1868-1875: This new “government” entity then forces the original unincorporated state governments to write new state constitutions and to assume new Doing-Business-As names in the form of: Wisconsin State, Connecticut State, and so on, while seizing upon the name of the original states and operating “Territorial franchises” for itself under their names: State of Wisconsin, State of Connecticut, and so on. All these semantic deceits are pulled off on the trusting public via look a like, sound a like, fraud.

The destruction of the republic continues

“The District”

- ◆ 1871: The District of Columbia Organic Act of 1871 created a “municipal corporation” to govern the District of Columbia. Considering the fact that the first municipal government itself was incorporated in 1808 in London, an “Organic Act” which means a (first Act) using the term “municipal corporation” in 1871 can only mean a private corporation owned by the municipality or the “District of Columbia”. Hereinafter we will call that private corporation, “Corp. U.S.” By consistent usage, Corp. U.S. trademarked the name, “United States Government” referring to themselves.
- ◆ The District of Columbia Organic Act of 1871 places Congress in control (like a corporate board) and gives the purpose of the act to form a governing body over the municipality. This allowed Congress to direct the business needs of the government under the existent martial rule and provided them with corporate abilities they would not otherwise have. This was done under the constitutional authority for Congress to pass any law within the ten mile square of the District of Columbia. Known as the District of Columbia Corporation.

The destruction of the republic continues

- ◆ 1871: The Corporation is Ratified 28 USC 3002 (15) (A): United States = Federal Corporation = Commercial Corporation doing business as "UNITED STATES."
- ◆ The Corporate 13th Amendment Free's the Black Slaves and then 14th Amendment creates All "Persons" (see 1862) as US Citizens and specifically disenfranchises American State Citizens and extends federal "Territorial Jurisdiction" or admiralty to the "States."
- ◆ 2nd of February, 1871: 41st Congress, Third session, Chapters 62, 63, 64, 65- The Congress declares itself to be the "Successor" of ALL "United States Corporations" and the property of all said "Corporations." They Claim to own every corporation in America that was formed under the "U.S." Auspices.
- ◆ And that is why they incorporate "YOU."

- ◆ Manta.com is a website for obtaining data on corporations. If the names of any of these government entities are entered then you will find that virtually all of them are listed as private, for-profit corporations. You will also see in the aggregate valuations of their assets that Manta.com provides is vastly greater than what is listed in these private government corporations' fraudulent but well-publicized budget documents that seek to justify fraudulent budget cuts and their related tax-based extortion rackets.
- ◆ This confirms that many hundred Billions/trillions of dollars of the people's money listed in the semi-secret government Comprehensive Annual Financial Reports - CAFRs as government institutional investments are being siphoned off by the global banking cartel and those sinister forces behind it. This is real fact. Here's an example, in real time, how a STATE OF WISCONSIN Corporation subsidiary UNIVERSITY OF WISCONSIN hid a \$1,000,000,000.00 in the FEDERAL RESERVE:

Constitutional lawful Bloodline American Republic Vs British Democratic Citizen

The federal Constitution makes a careful distinction between Natural born Citizens and Citizens of the United States*

Compare in the constitution: 2:1:5 with the so-called 14th Amendment section 1-2.

One is an unconditional Sovereign by natural birth, who is endowed by the Creator with certain unalienable rights; the other has been granted the revocable privileges of U.S. citizenship, endowed by the Congress of the United States*.

*One is a Citizen, the other is a subject. One is a Sovereign, the other is a subordinate. One is a Citizen of our constitutional Republic; the other is a citizen of a legislative democracy (the federal zone).

Notice the superior/subordinate relationship between these two statuses. I don't know how many can hear or comprehend this.....

But we lawful bloodline Americans STAND strong, we STAND our ground, we STAND for our rights. Standing is strength, standing is a sign of a Breathing living man and woman, a living souls.

A legal person = a legal fiction = US Citizen: Acts of Congress

One of the terms used predominantly by the present civil governments and courts in America is "legal person." Just what is a legal person? Some definitions are:

[A] legal person: a body of persons or an entity (as a corporation) considered as having many of the rights and responsibilities of a natural person and especially the capacity to sue and be sued. Merriam-Webster's Dictionary of Law (1996).

Person. 1. A human being (a "natural" person). 2. A corporation (an "artificial" person). Corporations are treated as persons in many legal situations. Also, the word "person" includes corporations in most definitions in this dictionary. 3. Any other "being" entitled to sue as a legal entity (a government, an association, a group of Trustees, etc.). 4. The plural of person is persons, not people (see that word). — Oran's "Dictionary of the Law," West Group (1999).

Person. An entity with legal rights and existence including the ability to sue and be sued, to sign contracts, to receive gifts, to appear in court either by themselves or by lawyer and, generally, other powers incidental to the full expression of the entity in law. Individuals are "persons" in law unless they are minors or under some kind of other incapacity such as a court finding of mental incapacity. Many laws give certain powers to "persons" which, in almost all instances, includes business organizations that have been formally registered such as partnerships, corporations or associations. -- Duhaime's Law Dictionary.

PERSON, noun. per'sn. [Latin persona; said to be compounded of per, through or by, and sonus, sound; a Latin word signifying primarily a mask used by actors on the stage.] -- Webster's 1828 Dictionary.

- ◆ 1900 - 1904: The Insular Tariff Cases; A series of supreme court cases giving Congress permission to create a separate nation using the federal territories and Possessions as "States," Guam, Puerto Rico, American Samoa and others became a union of states known as 'the United States of America' (minor) from then on Congress began referring to this entity as if it were referring to the continental United States.
- ◆ Jan 4,5,6, 1906: Hale vs Henkel, 201 US 43, supra 74, 75, (1905) Tells All, An Individual State Citizen Has Unalienable Constitutional Rights, while A US Citizen, a creature of the "State" has privileges and civil rights and is held subject to all policies, rules, codes, and statutes, the same as any other public servant. Up held over 1600 Times by both the District and the Supreme courts.
- ◆ 1907: The 1868 version of The United States of America, Inc. is bankrupted. The land of the actual states and people is unlawfully seized upon by the creditors of The United States of America, Inc., as collateral backing its debts in bankruptcy. "Title" is taken to the land and the actual patents seized upon, with the Creditors receiving the equitable title and benefit.

The great fraud

- ◆ 1913: All Hospitals are declared "Foundling" Hospitals! A, Pregnant mother goes in to have a child, She is "declared" indigent, the child is "declared" Abandoned and Birthed as a vessel and Adopted by the "STATE," The Child is Registered as "Human Resources" a "Certificate of Bond" is issued and EVERYONE gets a number.
- ◆ Definition: foundling 1) An abandoned child, left by its parent(s), often a baby left at a church, convent, hospital, or similar safe place.
- ◆ "The primary control and custody of infant is with the government." Tillman Vs Roberts. 108 So. 62
- ◆ Prior to 1913: most Americans owned clear, allodial title to their property, free and clear of any liens of mortgages until the Federal Reserve Act (1913) "Hypothecated" all property within the Federal United States to the Board of Governors of the Federal Reserve, in which the Trustees (stockholders) held legal title. The U.S. Citizen (tenant, franchisee) was registered as a "beneficiary" of the trust via his/her birth certificate. And, then later his SS#.
- ◆ Prior to 1913: There was no income tax. So, How did we run government? The income tax is installed, The IRS is created out of Puerto Rico and a division or as a subsidiary of the Department of Alcohol, Tobacco, and Firearms. It is set up as the Private "Collection Agency" for the newly created Privately owned, mostly foreign owned, Federal Reserve corporation. The income tax was designed to pay the interest on funds borrowed from the Federal Reserve Corporation.

The Federal Reserve

- ◆ On December 23, 1913: Taking advantage of the absence of congressmen opposed to the creation of a fiat monetary system during the Christmas break, the Federal Reserve Act was passed. President Woodrow Wilson, and Congress Pass the Federal Reserve Act and establish their fiat currency. To be used by the U.S. and its franchised corporations as legal tender and designed to trap Americans into eternal indebtedness. In a practice politely called "deficit spending". Other terms which would aptly describe the practice include "counterfeiting" and "check kiting", but it all comes down to the same thing; spending money one does not actually have.
- ◆ Legal Tender = Federal Reserve Note = Not Money = does not pay off debt but instead Tenders it to a later date. Each FRN costs .04 to print and distribute and is traded 1:1 for all real money (Gold-Silver) in circulation. Profit to Bank Face Value of Bill - .04 plus interest. And the bankers profited... again
- ◆ (side note) In 2009 The Federal Reserve transferred the bulk of its Assets to a new entity under the U.N. doing business as The FEDERAL RESERVE INC. doing business as The UNITED STATES INC. Bankrupting the old entity and leaving hapless US Citizens to pay their... "NATIONAL DEBT."

The Federal Reserve cont...

- ◆ In describing the FED, Congressman Louis T. McFadden (who served twelve years as Chairman of the Committee on Banking and Currency) remarked in the Congressional Record, House pages 1295 and 1296 on June 10, 1932: Said...
- ◆ "Mr. Chairman, we have in this country one of the most corrupt institutions the world has ever known. I refer to the Federal Reserve Board and the Federal reserve banks. The Federal Reserve Board, a Government Board, has cheated the Government of the United States and the people of the United States out of enough money to pay the national debt. The depredations and the iniquities of the Federal Reserve Board and the Federal reserve banks acting together have cost this country enough money to pay the national debt several times over. This evil institution has impoverished and ruined the people of the United States; has bankrupted itself, and has practically bankrupted our Government. It has done this through the misadministration of that law by which the Federal Reserve Board, and through the corrupt practices of the moneyed vultures who control it".

The War Powers of Lincoln continue

- ◆ 1917: The War Powers Act, and The Emergency Act. Congress grants themselves power they never had and they gratuitously “conscripted” all the private property in America for the war effort. Meaning they borrowed everyone (MEN AND WOMAN) and everything (All Goods and Services) in America they needed for military use.
- ◆ 1917: The Trading with the Enemy Act. This makes U.S. Citizens enemies of the Federal Government. However, in Section 21 it specifically excluded American State Citizens from being classified as enemies.
- ◆ 1921: The “roaring Twenties” The Federal Reserve prints up a whole bunch of FRN’s and unleashes them into the public allowing Hypothecation of Debt and people spent, spent, spent, and enjoyed a life style they never before in history had.
- ◆ October of 1929: The deliberate Crash, The Bankers abruptly stopped the money supply, shut down the banks, people could not pay their debts. As a result the Federal Reserve member banks put their competitors out of business, bought up massive amounts of Real Estate for pennies and hired laborers to do their bidding for nearly nothing, And the bankers profited...yet again Hence, The “GREAT DEPRESSION” And, many thousands committed suicide.

Quotes of Woodrow Wilson

- ◆ Prior to 1912: “Since I entered politics, I have chiefly had men's views confided to me privately. Some of the biggest men in the U. S., in the field of commerce and manufacturing, are afraid of somebody, are afraid of something. They know that there is a power somewhere so organized, so subtle, so watchful, so interlocked, so complete, so pervasive, that they had better not speak above their breath when they speak in condemnation of it. Or fear for their lives.”
- ◆ 1921: In his final speech as President. - “I, am a most unhappy man. I, have unwittingly ruined my country. A great industrial nation is now controlled by its system of credit. We are no longer a government by free opinion, no longer a government by conviction and the vote of the majority, but a government by the opinion and duress of a small group of dominant men.”
~ Woodrow Wilson, 28th President of the United States President (1913–1921)

The destruction of the republic continues Edward Mandell House Woodrow Wilson's Chief Advisor who set up Federal Reserve said

- ♦ “[Very] soon, every American will be required to register their biological property in a national system designed to keep track of the people and that will operate under the ancient system of pledging. By such methodology, we can compel people to submit to our agenda, which will effect our security as a chargeback for our fiat paper currency. Every American will be forced to register or suffer being unable to work and earn a living. They will be our chattel, and we will hold the security interest over them forever, by operation of the law merchant under the scheme of secured transactions. Americans, by unknowingly or unwittingly delivering the bills of lading to us will be rendered bankrupt and insolvent, forever to remain economic slaves through taxation, secured by their pledges. They will be stripped of their rights and given a commercial value designed to make us a profit and they will be none the wiser, for not one man in a million could ever figure our plans and, if by accident one or two should figure it out, we have in our arsenal plausible deniability. After all, this is the only logical way to fund government, by floating liens and debt to the registrants in the form of benefits and privileges. This will inevitably reap to us huge profits beyond our wildest expectations and leave every American a contributor to this fraud which we will call “Social Insurance.” Without realizing it, every American will insure us for any loss we may incur and in this manner, every American will unknowingly be our servant, however begrudgingly. The people will become helpless and without any hope for their redemption and, we will employ the high office of the President of our dummy corporation to foment this plot against America.”

Some History of The Pledge of Allegiance

- ◆ 1887: George Belch wrote the first Pledge; his version read... “We give our heads and hearts to God and then our country; one country, one language, one flag! God was First and foremost!
- ◆ 1892: Francis Bellamy, a registered communist, and School Teacher was hired to re-write the Official “pledge of Allegiance” using the word “my” to make it personally ingrained so as to give “A Personal Legal Consent”... “I pledge allegiance to my Flag and the Republic for which it stands, one nation, indivisible, with liberty and justice for all.
- ◆ F. Bellamy updated it in 1906 to read; I, pledge allegiance to my flag, and the republic for which it stands. I, pledge my head and my heart to God and my country. One country, one language and one flag.

The Great Fraud goes into full swing

- ◆ 1916: The Supreme Court in *Brushaber vs Union Pacific R.R. Co.*, 240 U.S. 1 (1916) ruled the 16th amendment (The Income Tax) did nothing that was not already done other than to make plain and clear the right of the United States (Corp. U.S.) to tax corporations and government employees only.
- ◆ 1921: the Sheppard-Towner Maternity Act created the birth "registration" or what we now know as the "Birth Certificate". It was known as the "Maternity Act" and was sold to the American people as a law that would reduce maternal and infant mortality, protect the health of mothers and infants, and for "other purposes". One of those other purposes provided for state agencies in overseeing of it's operations and expenditures. What it really did was create a federal "birth registry" which exists today, creating "FEDERAL CHILDREN". This government of "Parents Patriae, now legislates for American children as if they are owned by the federal government.

- ◆ 1930-1934: A second corporation calling itself "the United States of America" is bankrupted. This time, FDR unlawfully converts the entire population of this country, re-interpreting our Trade Names on the land to be Foreign Situs Trusts operating in the international jurisdiction of the sea. This allows the Creditors of the bankrupt private, mostly foreign-owned "United States of America, Inc." to seize upon the labor and other private property of Americans in gross Breach of Trust owed to us by the Popes and by the British Monarch. By this deliberate fraud, we are "presumed" to be commercial vessels belonging to the bankrupt United States of America, Inc., and by process of extortion and assumpsit, are forced to pay its debts.

The New War Powers Act of 1933 cont...

- ◆ It suited Roosevelt's plans to seize control of the nation for his socialist agenda, by and maintain it by Executive Order, so he accepted the Federal Reserve Board's request, which amended the 1917 Wars Powers Act, thus giving the President license over all the citizens of this country... rather than just an enemy. We became the enemy of our country, and remain so to this day. See Black's Law Dictionary 6th Edition under Bank Holiday P. 146.
- ◆ Congress returned from its annual recess and rubber-stamped Roosevelt's Executive Orders and the Federal power grab began. From that day to the present, the United States of America has been under emergency powers. Presidents, and the Congress, to maintain and justify the enormous growth in the power of the Federal government, have systematically exploited its people. The States cooperated with the Federal government because they benefited, right down to the County level from a massive increase in their revenues and powers.
- ◆ The area over which Emergency powers may be declared can cover part of a state (city or county), an entire State, several states, or an entire nation... as is the case, today.

The destruction of the republic continues

The New War Powers Act of 1933

- ◆ More Additional Power: Characteristics of Emergency Powers- Means any form of military style government, martial law, or martial rule. Martial law and martial rule are not the same. NOTE: The term emergency powers' is generic, as used herein. Nations declare emergency powers under the Doctrine of Necessity, when a crisis (war, riots, rebellion, national collapse, etc.) occurs that cannot be dealt with in a normal peaceful manner. This has been the normal manner of dealing with these emergency situations from time in memorial.
- ◆ Emergency powers are supposed to be only a temporary measure to deal with a specific crisis. When the crisis ends, the emergency powers are supposed to end. In the United States, Franklin Delano Roosevelt declared emergency powers in 1933 that was supposedly to deal with a bank crisis that was in progress when he assumed the Presidency. (created by the banks intentionally) In fact, the crisis as sold to the President is a figment of the Federal Reserve bankers' imagination.

The New War Powers Act of 1933 Cont...

- ◆ The single most dominant feature of all emergency powers of Government(s) is unlawful civil authority. Civil courts cease to exist, being replaced by courts with an appearance of 'legitimacy', but without the substance. Court Process and procedures are a mix of rules from previous lawful courts and military courts. Traffic courts, for example are courts of summary court martial using military rules as applied to civilians. An example of this is seen when defining so-called "traffic infractions". Infraction is not defined in most state codes, but is defined in "The Manual of Courts Martial (1994), (4)" along with the terms "contempt," "appeal", etc., and in other military sources.
- ◆ Emergency powers: Government(s) varies in the degree of the emergency declared. The most extreme form is called Martial Law. The benign, less restrictive form is Martial Rule. Currently the U.S. is under the less restrictive form called Martial Rule. Martial law puts all major resources in an emergency powers' area; transportation, food, minerals, metals, communications, etc., under the direct control of the nations' armed forces and its Commander-in-Chief, the President.
- ◆ A snow storm of Executive Orders, have been issued already so that in the event the President declares a National Emergency, all resources and citizen's come under direct control of (FEMA) Federal Emergency Management Agency and the severe Martial Law form of governance.

issued April 5, 1933

all persons are required to deliver

ON OR BEFORE MAY 1, 1933

all **GOLD COIN, GOLD BULLION, AND GOLD CERTIFICATES** now owned by them to a Federal Reserve Bank, branch or agency, or to any member bank of the Federal Reserve System.

Executive Order

FORBIDDING THE HOARDING OF GOLD COIN, GOLD BULLION AND GOLD CERTIFICATES.

By virtue of the authority vested in me by Section 5 (b) of the Act of October 6, 1917, as amended by Section 2 of the Act of March 9, 1933, entitled "An Act to provide relief in the existing national emergency in banking, and for other purposes," in which amendatory Act Congress declared that a serious emergency exists, I, Franklin D. Roosevelt, President of the United States of America, do declare that said national emergency still continues to exist and pursuant to said section do hereby prohibit the hoarding of gold coin, gold bullion, and gold certificates within the continental United States by individuals, partnerships, associations and corporations and hereby prescribe the following regulations for carrying out the purposes of this order:

Section 1. For the purposes of this regulation, the term "hoarding" means the withdrawal and withholding of gold coin, gold bullion or gold certificates from the recognized and customary channels of trade. The term "person" means any individual, partnership, association or corporation.

Section 2. All persons are hereby required to deliver on or before May 1, 1933, to a Federal Reserve Bank or a branch or agency thereof or to any member bank of the Federal Reserve System all gold coin, gold bullion and gold certificates now owned by them or coming into their ownership on or before April 28, 1933, except the following:

(a) Such amount of gold as may be required for legitimate and customary use in industry, profession or art within a reasonable time, including gold prior to refining and stocks of gold in reasonable amounts for the usual trade requirements of owners mining and refining such gold.

(b) Gold coin and gold certificates in an amount not exceeding the aggregate \$100 belonging to any one person; and gold coins having a recognized special value to collectors of rare and unusual coins.

(c) Gold coin and bullion earmarked or held in trust for a recognized foreign Government or foreign central bank or the Bank for International Settlements.

(d) Gold coin and bullion licensed for other proper transactions (not involving hoarding) including gold coin and bullion imported for export or held pending action on applications for export licenses.

Section 3. Until otherwise ordered any person becoming the owner of any gold coin, gold bullion, or gold certificates after April 28, 1933, shall, within three days after receipt thereof, deliver the same in the manner prescribed in Section 2; unless such gold coin, gold bullion or gold certificates are held for any of the purposes specified in paragraphs (a), (b), or (c) of Section 2; or unless such gold coin or gold bullion is held for purposes specified in paragraph (d) of Section 2 and the person holding it is, with respect to such gold coin or bullion, a licensee or applicant for license pending action thereon.

Section 4. Upon receipt of gold coin, gold bullion or gold certificates delivered to it in accordance with Sections 2 or 3, the Federal Reserve Bank or member bank will pay therefor an equivalent amount of any other form of coin or currency coined or issued under the laws of the United States.

Section 5. Member banks shall deliver all gold coin, gold bullion and gold certificates owned or received by them (other than as exempted under the provisions of Section 2) to the Federal Reserve Banks of their respective districts and receive credit or payment therefor.

Section 6. The Secretary of the Treasury, out of the sum made available to the President by Section 501 of the Act of March 9, 1933, will in all proper cases pay the reasonable costs of transportation of gold coin, gold bullion or gold certificates delivered to a member bank or Federal Reserve Bank in accordance with Section 2, 3, or 5 hereof, including the cost of insurance, protection, and such other incidental costs as may be necessary, upon production of satisfactory evidence of such costs. Voucher forms for this purpose may be procured from Federal Reserve Banks.

Section 7. In cases where the delivery of gold coin, gold bullion or gold certificates by the owners thereof within the time set forth above will involve extraordinary hardship or difficulty, the Secretary of the Treasury may, in his discretion, extend the time within which such delivery must be made. Applications for such extensions must be made in writing under oath, addressed to the Secretary of the Treasury and filed with a Federal Reserve Bank. Each application must state the date in which the extension is desired, the amount and location of the gold coin, gold bullion and gold certificates in respect of which such application is made and the facts showing extension to be necessary to avoid extraordinary hardship or difficulty.

Section 8. The Secretary of the Treasury is hereby authorized and empowered to issue such further regulations as he may deem necessary to carry out the purposes of this order and to issue licenses thereunder, through such officers or agencies as he may designate, including licenses permitting the Federal Reserve Banks and member banks of the Federal Reserve System, in return for an equivalent amount of other coin, currency or credit, to deliver, earmark or hold in trust gold coin and bullion to or for persons showing the need for the same for any of the purposes specified in paragraphs (a), (c) and (d) of Section 2 of these regulations.

Section 9. Whoever willfully violates any provision of this Executive Order or of these regulations or of any rule, regulation or license issued thereunder may be fined not more than \$10,000, or, if a natural person, may be imprisoned for not more than ten years, or both; and any officer, director, or agent of any corporation who knowingly participates in any such violation may be punished by a fine, imprisonment, or both.

This order and these regulations may be modified or revoked at any time.

In Senate Document No. 43, Under Contracts Payable in Gold, 1933, we read: (Chattel)

"The ULTIMATE OWNERSHIP OF ALL PROPERTY IS IN THE STATE, individual *so called* ownership is only by virtue of Government. i.e. Law, amounting to mere user. And use must be in accordance with law and subordinate to the necessities of the State.

“*The State*”, in this case, refers to *the District of Columbia*. The District of Columbia is not a *State of the Union*, but it is a STATE just as Israel is a STATE. The District of Columbia is a sovereign jurisdiction unto itself. And so, by the above language we see that Government decrees that everything you own is by virtue of government, amounting to *mere user*. Sounds criminal to me, does it sound criminal to you?

What this means to we Americans is simply this. There are two forms of Title. There is *legal title* and there is *equitable title*. The government holds legal title to all property and People hold equitable title, allowing us the use of the item and making us liable for all fees and taxes associated with the use of said item.

To make the point. New vehicles come with a manufacturer's *Statement of Origin*. You never see it. Dealers register this document with the government, providing the government with *legal title* to the vehicle. With government holding the *legal title* to the vehicle, then when you purchase the vehicle you are given only *Equitable title* which allows you use of the vehicle and makes you responsible to pay all taxes and other fees due, but you are not the legal owner. Ever wonder why your title or registration says “for official use only?” Now you know. Remember, you do not own anything in which someone else can make a claim and then confiscate it through court proceedings.

The question here is, “Are American juries going to continue to allow this criminal behavior?” If they do, then they condemn their children and grand children. I suspect that once they know and understand the criminality of this action, the property seizures and loss of property rights will evaporate like morning dew.

All Towns, Cities, Counties, States, School Districts, Policemen, Sheriffs, etc became CORPORATIONS and fell under THE ADMINISTRATIVE PROCEDURES ACT. The FEDERAL GOVERNMENT would now (through the towns, cities, counties, states) rule “We The People” through Rules, Regulations, Codes, Procedures, and Statutes (Color of Law) -if the “Sovereign” cedes their rights. THE TOWN OF __, THE CITY OF __, THE COUNTY OF __, THE STATE OF __, are the vehicles used for accomplishing their deeds.

- ◆ 1947 BAR Association Treaty: So, Why does The United States Corporation need a treaty with the BAR Association?
- ◆ Answer: Because The BAR Association or British Accreditation Registry is a foreign owned and controlled entity, a subsidiary of the Crown Inc., a subsidiary of Westminster Inc. Ownership of which is held jointly by the Queens of England and Holland, and the Vatican. They are installed by treaty here on our shores to enforce Admiralty Law and to Protect the interests of The Crown Inc. (see; Treaty of Ghent, Treaty of Veronia, and nearly any "STATE" attorney Generals web site under History of The Attorney General) On the State of Illinois web site it is an easy one to find. The Bar Association, Crown Inc.,

- ◆ Under the Federal Rules of Civil Procedure 12b 6: the prosecution has failed to provide adequate proof that the parties (individuals) involved in this situation are actually corporate entities. There is however, ample proof that the prosecution and other agents are actually corporations.
- ◆ The International Reorganization Rescind Act: Congress put this into form but they never took action to rescind the act. Fairly recently an Ohio judge filed suit claiming that Congress did not have the right to relinquish government authority over to the U.N. In 2005 the US Supreme court declined to hear the case therefore all public offices are under U.N. jurisdiction and they are not American's or US Citizens, but Foreign Agents.
- ◆ The Oath of Office: Title 5 USC 331, 332, 333 backed up by Title 22 CFR Foreign Relations 92.12 – 92.31 and Title 8 USC, section 1481 – the public official relinquishes his national citizenship and are thus foreign agents as stipulated under Title 22 USC, chapter 11, section 611, loss of national citizenship – Public officials are no longer US Citizens, but rather are foreign agents and must register as such.
- ◆ 1950: The 81st Congress investigated the Lawyers Guild and determined that the B.A.R. Association is founded and run by communists under definition. Thus any elected official that is a member of the B.A.R. will only be loyal to the B.A.R. and not the people. Attorneys/Attornors/Brokers are considered Foreign Agents under the Foreign Agents Registration Act (FARA) and are SUBJECTS of the Crown Temple B.A.R.

Unclassified in 1997, Operation Northwoods was written up by the US Joint Chiefs of Staff as a plan to persuade the American people to want to go to war with Cuba, by launching a wave of terrorist attacks on US citizens. FREEDOM FROM WAR

THE UNITED STATES PROGRAM FOR
GENERAL AND COMPLETE DISARMAMENT IN A PEACEFUL WORLD
DEPARTMENT OF STATE PUBLICATION 7277

Disarmament Series 5
Released September 1961
Office of Public Services
BUREAU OF PUBLIC AFFAIRS

Summary

DISARMAMENT GOAL AND OBJECTIVES

The over-all goal of the United States is a free, secure, and peaceful world of independent states adhering to common standards of justice and international conduct and subjecting the use of force to the rule of law; a world which has achieved general and complete disarmament under effective international control; and a world in which adjustment to change takes place in accordance with the principles of the United Nations.

In order to make possible the achievement of that goal, the program sets forth the following specific objectives toward which nations should direct their efforts:

- The disbanding of all national armed forces and the prohibition of their reestablishment in any form whatsoever other than those required to preserve internal order and for contributions to a United Nations Peace Force;
-
- The elimination from national arsenals of all armaments, including all weapons of mass destruction and
-
- **3**
- the means for their delivery, other than those required for a United Nations Peace Force and for maintaining internal order;
-
- The institution of effective means for the enforcement of international agreements, for the settlement of disputes, and for the maintenance of peace in accordance with the principles of the United Nations;
-
- The establishment and effective operation of an International Disarmament Organization within the framework of the United Nations to insure compliance at all times with all disarmament obligations.

TASK OF NEGOTIATING STATES

The negotiating states are called upon to develop the program into a detailed plan for general and complete disarmament and to continue their efforts without interruption until the whole program has been achieved. To this end, they are to seek the widest possible area of agreement at the earliest possible date. At the same time, and without prejudice to progress on the disarmament program, they are to seek agreement on those immediate measures that would contribute to the common security of nations and that could facilitate and form part of the total program.

◆ “Our government has kept us in a perpetual state of fear -- kept us in a continuous stampede of patriotic fervor -- with the cry of grave national emergency’s... Always there has been some terrible evil to gobble us up if we did not blindly rally behind it by furnishing the exorbitant sums demanded. Yet, in retrospect, these disasters seem never to have happened, seem never to have been quite real.”

~ General Douglas MacArthur

- ◆ “There has never been a just WAR, never an honorable one--on the part of the instigator of the war. I can see a million years ahead, and this rule will never change in so many as half a dozen instances. The loud little handful--as usual--will shout for the war. The pulpit will--warily and cautiously--object--at first; the great, big, dull bulk of the nation will rub its sleepy eyes and try to make out why there should be a war, and will say, earnestly and indignantly, 'It is unjust and dishonorable, and there is no necessity for it.' Then the handful will shout louder. A few fair men on the other side will argue and reason against the war with speech and pen, and at first will have a hearing and be applauded; but it will not last long; those others will outshout them, and presently the anti-war audiences will thin out and lose popularity. Before long you will see this curious thing: the speakers stoned from the platform, and free speech strangled by hordes of furious men who in their secret hearts are still at one with those stoned speakers--as earlier--but do not dare say so. And now the whole nation--pulpit and all--will take up the war-cry, and shout itself hoarse, and mob any honest man who ventures to open his mouth; and presently such mouths will cease to open. Next the statesmen will invent cheap lies, putting the blame upon the nation that is attacked, and every man will be glad of those conscience-soothing falsities, and will diligently study them, and refuse to examine any refutations of them; and thus he will by and by convince himself the war is just, and will thank God for the better sleep he enjoys after this process of grotesque self-deception.” ~ Mark Twain

The final Pieces

- ◆ 1999: We finally pay off the 1933 bankruptcy of the United States of America, Inc., but instead of returning all the Cestui Que Vie ESTATE trust assets owed to the living people, Bill Clinton signs Executive Order #13037. This steps up the conscription process, and pretending that nobody knows who these accounts belong to, hoped to seize upon all our property including our names via a "claim on abandonment."
- ◆ 2015: President Obama puts the UNITED STATES, INC. and all its "Municipal Franchises" including the Cestui Que Vie ESTATES belonging to Americans into Chapter 7 Bankruptcy Liquidation. Almost as an afterthought, he puts the USA, Inc. into Chapter 11 Reorganization. --- all the Municipal Government franchises dba OREGON, FLORIDA, and JOHN QUINCY PUBLIC, all the Territorial Government franchises dba John Quincy Public.
- ◆ 2015: Americans who have become aware of the fraud return to the land jurisdiction of their birth. The new government issues new "Sovereign Letters Patent" for the states (November 4) and for the "Indian Nations" (November 6) and also issues an Express Trust --- "The Declaration of Joint Sovereignty."

The final Pieces

- ◆ 2017: After extensive Due Process given to all the Principal Parties responsible, the liens against all the Municipal and Territorial government corporations and their franchises are completed and cured, including Agricultural Liens.
- ◆ January 6, 2017: a Private Registered Indemnity Bond covering all the actual states and people is lodged with the United States Treasury, and a Payment Bond is lodged with the Vatican Chancery Court.
- ◆ June 29, 2017: The American states and people represented by the unincorporated United States of America visit The United States District Court for the District of Columbia and claim back their property and assets as the Paramount Security Interest Holders and Priority Creditors of the bankrupt Territorial and Municipal Government corporations and their franchises worldwide.
- ◆ That all brings us forward to the present moment. Problem, We Americans: “The One People’s Public Trust” foreclosed on the Territorial and Municipal corporations, intending to create a gigantic global version of the Public Charitable Trust that they would then control. However, they were not the Creditors. We are, the few Americans

The final Pieces...cont.

- ◆ We are the lawful owners of all that several generations of dishonest employees and middlemen have amassed- and which they have hoped to claim as abandoned property. The success of this scheme would have ended private property rights worldwide.
- ◆ The Secondary Creditors had already set up a plan to discharge the debts of the Municipal franchises in bankruptcy via Treasury Direct Accounts. This process avoids the fact that these debts are all odious hypothecated debts that the living people never owed in the first place. It also avoids the fact that the living people are the actual Paramount Security Interest Holders who have been defrauded in Breach of Trust, and instead mischaracterizes them as bankrupt "US citizens"
- ◆ As our included Public and Judicial Notice- Number 4 discloses, "citizenship" is a form of indentured servitude to the government of a country, and in the modern world, it must be voluntary, proven, and equitable, or it becomes a form of peonage and enslavement outlawed worldwide since 1926.
- ◆ We maintain that the incorporated foreign governmental service corporations operating under color of law and purposeful deceit on our shores since 1868 have effectively enslaved our population and brought insupportable claims against our land and our assets.

The Proof - The Puzzle Completion

The beginning and to the End of the "Republic"

Common Law Trust Foreign Sovereign Immunity Act Defined
Public Notice/Public Record

Maxim of Common Law; A l'impossible nul n'est tenu defined: No one is bound to do what is impossible. 1 Bouv. Inst. n. 601.

FOREIGN SOVEREIGN IMMUNITY ACT defined: subject to existing international agreements to which the U.S. is a party, and to certain statutorily prescribed exceptions, a foreign nation is immune from the jurisdiction of federal and state courts. [28 U.S.C. Sec. 1601-1611] Black's Law Dictionary Sixth Edition (page 1396)

Whereas defined pursuant to; Immunity of a foreign state from jurisdiction: Subject to existing international agreements to which the United States is a party at the time of enactment of this Act a foreign state shall be immune from the jurisdiction of the courts of the United States and of the States except as provided in sections 1605 to 1607 of this chapter.

Whereas defined pursuant to: Immunity from attachment and execution of property of a foreign state: Subject to existing international agreements to which the United States is a party at the time of enactment of this Act the property in the United States of a foreign state shall be immune from attachment arrest and execution except as provided in sections 1610 and 1611 of this chapter.

SOVEREIGN PEOPLE defined: the political body, consisting of the entire number of citizens and qualified electors, who, in their collective capacity, possess the powers of sovereignty and exercise them through their chosen representatives [see Scott v. Sanford, 19 How. 404, 15 L. Ed. 691.] Black's Law Dictionary Sixth Edition (page 1396)

Whereas defined pursuant to Supreme Court Annotated Statute; Perry v. United States, 294 U.S. 330, 353 (1935): Sovereignty itself is, of course, not subject to law, for it is the author and source of law; but in our system, while sovereign powers are delegated to the agencies of government, sovereignty itself remains with the people, by whom and for whom all government exists and acts. And the law is the definition and limitation of power. For the very idea that one man may be compelled to hold his life, or the means of living, or any material right essential to the enjoyment of life, at the mere will of another, seems to be intolerable in any country where freedom prevails, as being the essence of slavery itself.

Whereas defined pursuant to Supreme Court Annotated Statute; Yick Wo vs. Hopkins, U.S. 356 (1886): "...The Congress cannot revoke the Sovereign power of the people to override their will as thus declared."

Whereas defined pursuant to Supreme Court Annotated Statute; CRUDEN vs. NEALE, 2 N.C. 338 2 S.E. 70: "The state citizen is immune from any and all government attacks and procedure. see, Dred Scott vs. Sanford. 60 U.S. (19 How.) 393 or as the Supreme Court has stated clearly, "...every man is independent of all laws, except those prescribed by nature. He is not bound by any institutions formed by his fellowmen without his consent."

Whereas defined pursuant to Supreme Court Annotated Statute; 2 Elliot's Debates, 94; 2 Bancroft, History of the Constitution, 267: The people themselves have it in their power effectually to resist usurpation, without being driven to an appeal in arms. An act of usurpation is not obligatory: It is not law; and any man may be justified in his resistance. Let him be considered as a criminal by the general government: yet only his fellow citizens can convict him. They are his jury, and if they pronounce him innocent, not all powers of congress can hurt him; and innocent they certainly will pronounce him, if the supposed law he resisted was an act of usurpation.

Whereas defined pursuant to Supreme Court Annotated Statute; Warning v. the Mayor of Savannah, 60 Georgia, P. 93: In this state, as well as in all republics, it is not the legislation, however transcendent its powers, who are supreme— but the people— and to suppose that they may violate the fundamental law is, as has been most eloquently expressed, to affirm that the deputy is greater than his principal; that the servant is above his master; that the representatives of the people are superior to the people themselves: that

Phoenix, Arizona 85005

Dear Director Milstead:

It has come to my attention that numerous individuals in our state have rescinded all of their contracts with the United States federal government, the State of Arizona, and each of its political subdivisions, establishing themselves as freemen under the organic national Constitution of the Republic of the United States of America. Consequently, they may be driving without auto registration, driver's license, or any other evidence of contract.

Because many law enforcement personnel may be unaware of the contractual nature of auto registration and driver's licenses, it is conceivable that this situation may lead to confrontation between these individuals and law enforcement personnel.

I urge you to inform yourself and your personnel about this matter as soon as possible. If you would like to be briefed by someone knowledgeable on this subject, please contact me.

In the meantime, inasmuch as this procedure is entirely appropriate when properly carried out, I would like to be personally notified of every such instance of confrontation in order that the persons involved and the public officials involved may be apprised of the correct procedure and the appropriateness of their actions on the part of each concerned.

My office phone is 255-5261 and I am requesting to be notified of the names and incidents along with addresses and phone numbers of participants of any such confrontations arising from the exercise of a person's freeman status in order to evaluate the outcome of properly rescinded contracts.

Sincerely,

Wayne Stump
